[OVERVIEW]

For nearly five decades, UNEC has delivered the projects that shape how the UAE is seen – malls, landmarks, institutions and infrastructure built to the highest standards of safety and craft.

Wherever we're working, you'll find the highest standards applied to all aspects of operations. Our commitment to best practices touches everything we do, guiding every decision related to onsite safety, project management and environmental responsibility.

A portrait of Eng. Abdulhalim Muwahid, a middle-aged man with short dark hair, smiling and looking slightly to his right. He is wearing a dark suit jacket, a white shirt, and a red tie with a small white pattern. The background is dark and out of focus.

[CHAIRMAN'S MESSAGE]

TOGETHER, WE BUILD [LEGACY]

Eng. Abdulhalim Muwahid

FOUNDER & CHAIRMAN

Great things in life are rarely accomplished alone. It takes teamwork to build something beautiful, strong and enduring. For over four decades, UNEC has been a trusted, hard-working partner at the side of the region's real-estate developers collaborating on iconic, world-class projects across the UAE and the wider Gulf.

Our role is to deliver each client's vision into reality, drawing on a deep history of experience, vast resources and a dedicated team. We attribute our accomplishments to decades of commitment to our clients and a genuine understanding of their goals providing real value in building tomorrow's skylines, today.

This is our passion and the foundation of a hard-earned reputation. It remains at the heart of who we are, as we continue to evolve with new strategy and technical mastery, holding our position at the forefront of the industry. Together, we are building a legacy of excellence for years to come.

[CHAIRMAN'S MESSAGE]

[UNEC] is a multi-award winning international construction company with more than 50 years of expertise in the region

Our experience, forward-thinking innovation and commitment to the highest standards in professionalism, safety and efficiency have made UNEC the trusted partner behind some of the area's most iconic buildings and landmarks.

[MIG HOLDING GROUP]

ASSOCIATED BUSINESSES

The companies within MIG Holding Group are united by one standard of quality, engineering, and delivery across the Emirates.

[MIG HOLDING COMPANIES]

MIG HOLDING LLC

MIG Holding LLC leads a dynamic group of associated companies, each contributing to a shared vision of growth, innovation, and impact. As the strategic core of the group, MIG Holding provides leadership, direction, and synergy across a diverse portfolio of businesses operating in key sectors such as construction, precast manufacturing, infrastructure, and smart technologies.

Together, these companies form a unified yet versatile network — independently strong, collectively exceptional — reflecting MIG Holding's enduring commitment to excellence, sustainability, and market leadership.

[UNECE] JOINERY & INTERIOR DECOR was established in 1992 to cope with the growing demand on [UNECE] to provide quality Joinery Products.

For 32 years, [UNECE] JOINERY & INTERIOR DECOR has provided over 90% of the companies Internal joinery requirements and has grown to now provide a substantial percentage of its overall turnover to an outside market.

SAFE MIX

SAFE MIX Ready Concrete and Block Factory is a multi-award winning company, established in 1998 by [UNEC] Chairman Eng. Abdulhalim Muwahid to provide excellence in ready mix concrete solutions to the UAE Market. With over 23 years of experience, knowledge and dedication to the industry, SAFE MIX currently operates 7 branches across the UAE with 15 fully automated batching plants capable of sustainably producing an annual quantity of 2 million cubic meters per year.

To complement our production capacity, SAFE MIX currently operates an impressive fleet of more than 40 mobile pumps, 158 transit mixers and 42 placing booms, in addition to a state- of-the-art block factory with a production of over 1 million blocks per month.
