[OVERVIEW]

For nearly five decades, UNEC has delivered the projects that shape how the UAE is seen — malls, landmarks, institutions and infrastructure built to the highest standards of safety and craft.

Wherever we're working, you'll find the highest standards applied to all aspects of operations. Our commitment to best practices touces everything we do, guiding every decision related to onsite safety, project management and environmental responsibility.

[CHAIRMAN'S MESSAGE]

TOGETHER, WE BUILD [LEGACY]

Great things in life are rarely accomplished alone. It takes teamwork to build something beautiful, strong and enduring. For over four decades, UNEC has been a trusted, hard-working partner at the side of the region's real-estate developers collaborating on iconic, world-class projects across the UAE and the wider Gulf.

Our role is to deliver each client's vision into reality, drawing on a deep history of experience, vast resources and a dedicated team. We attribute our accomplishments to decades of commitment to our clients and a genuine understanding of their goals providing real value in building tomorrow's skylines, today.

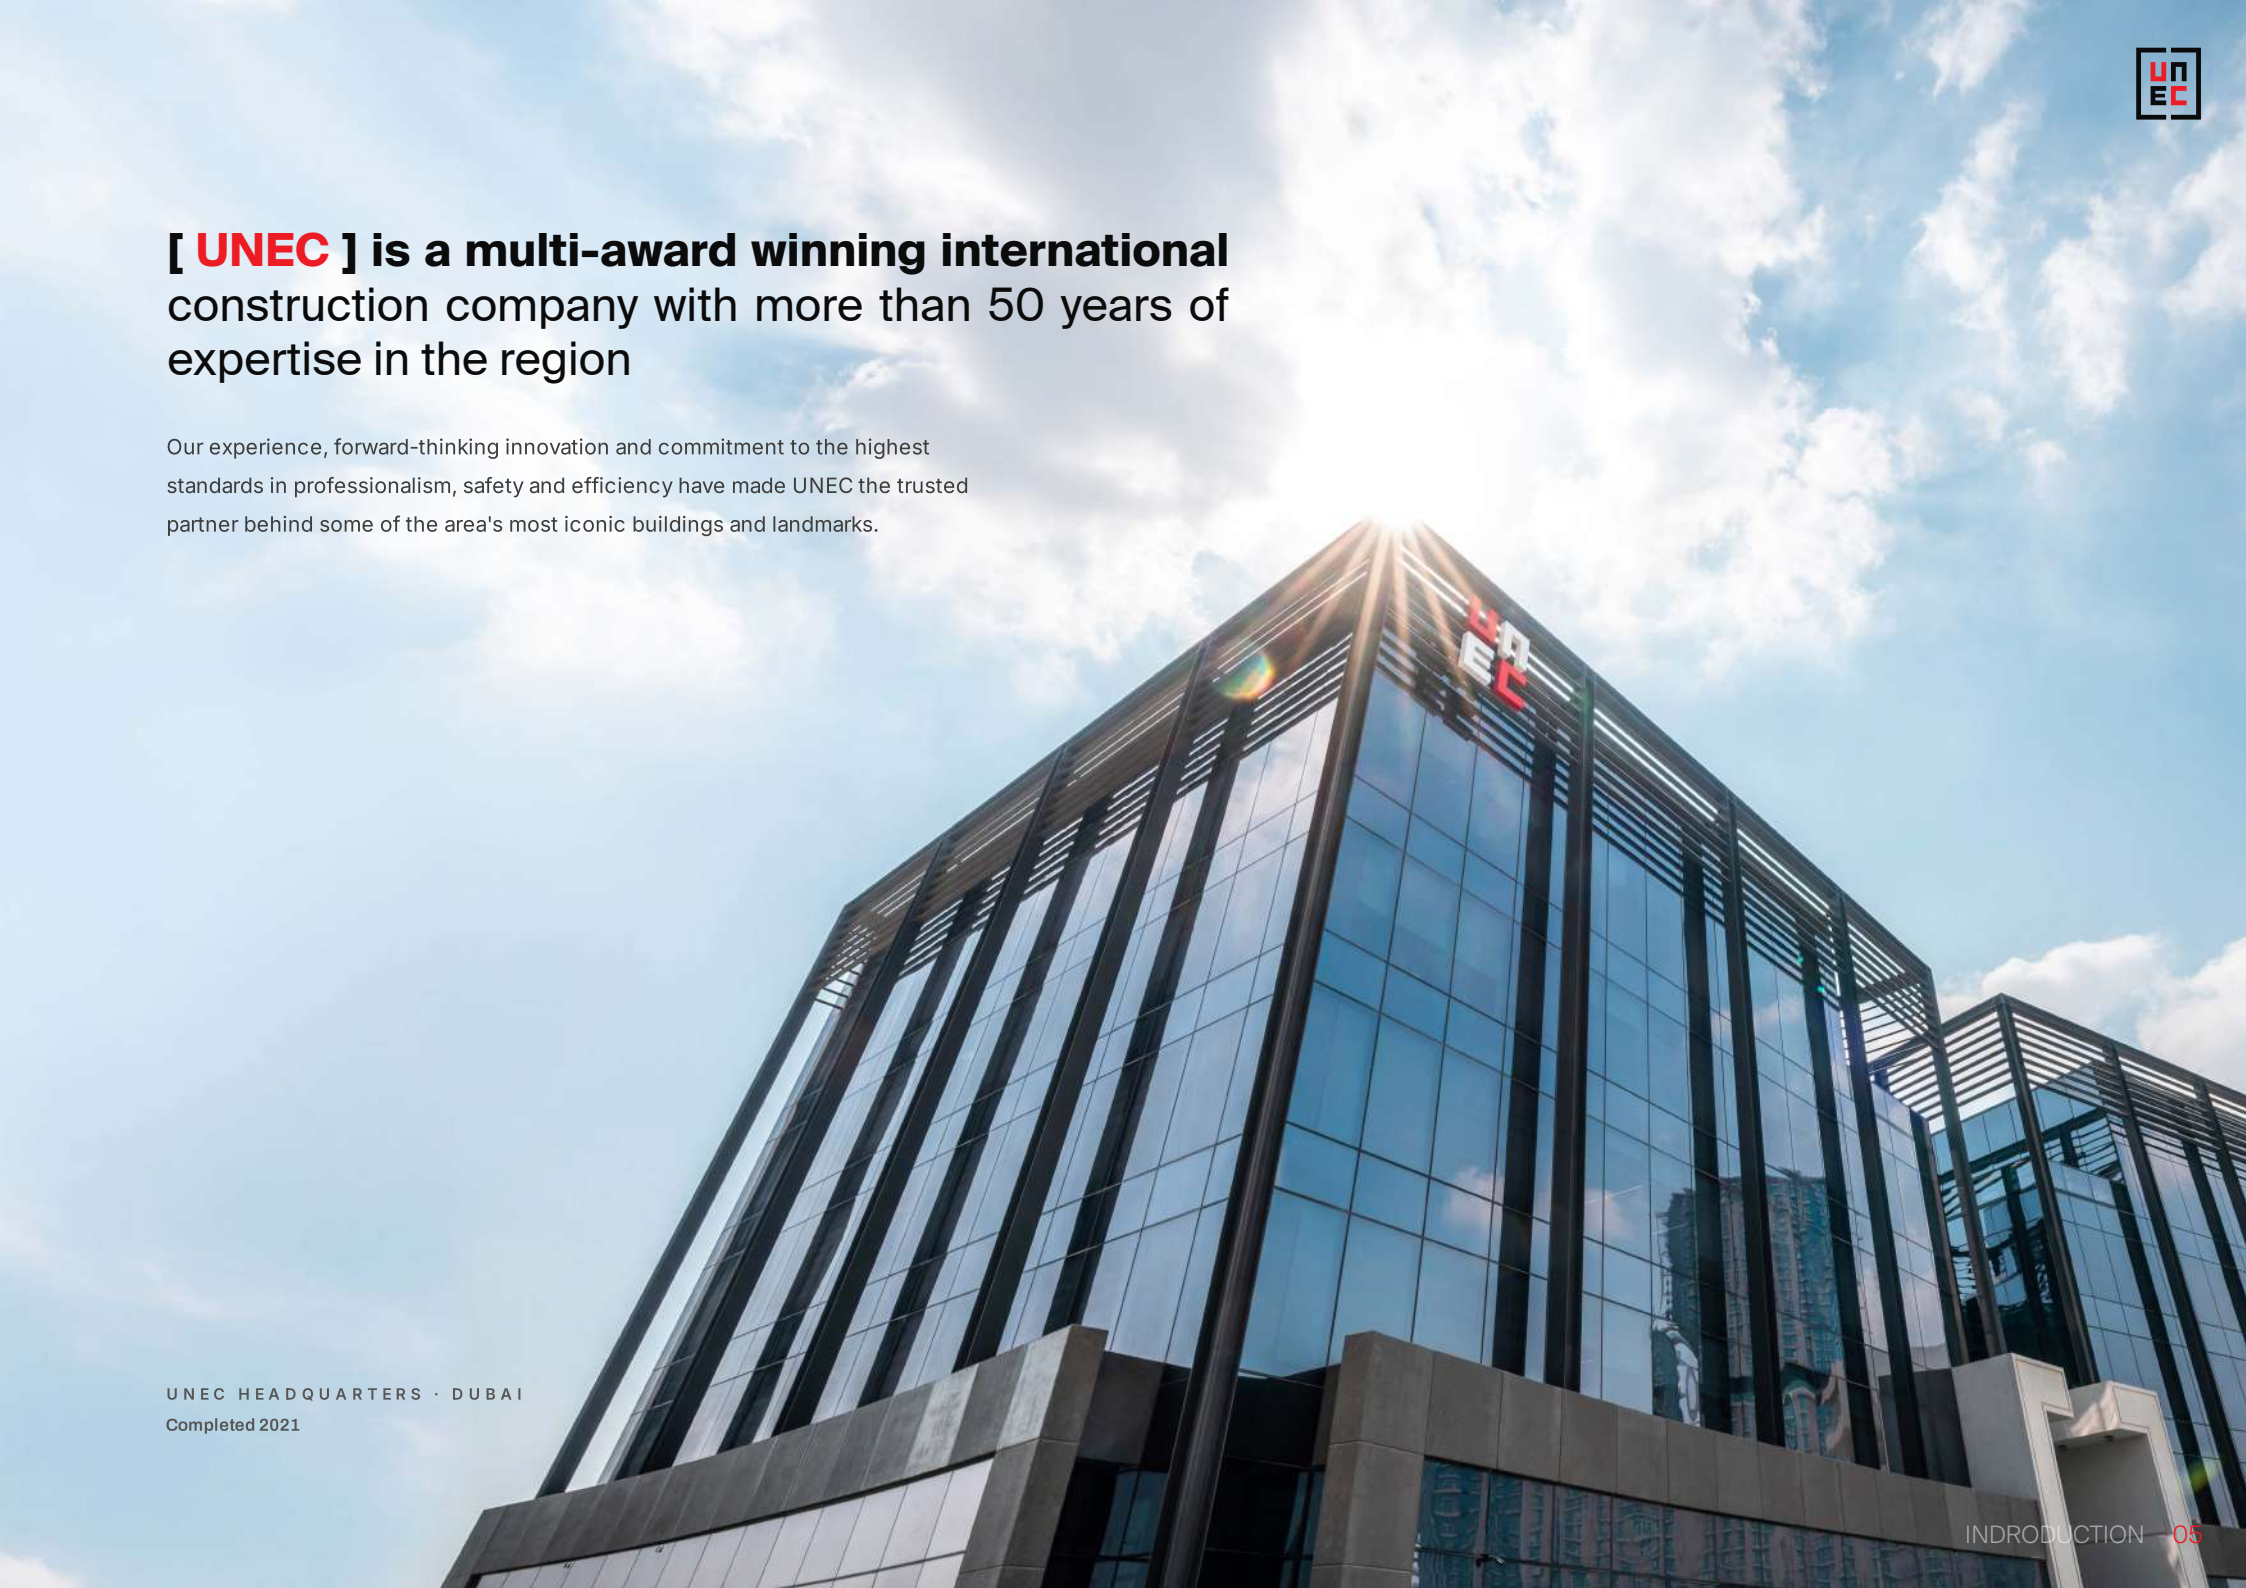

This is our passion and the foundation of a hard-earned reputation. It remains at the heart of who we are, as we continue to evolve with new strategy and technical mastery, holding our position at the forefront of the industry. Together, we are building a legacy of excellence for years to come.

Eng. Abdulhalim Muwahid

[CHAIRMAN]

[UNEC] is a multi-award winning international construction company with more than 50 years of expertise in the region

Our experience, forward-thinking innovation and commitment to the highest standards in professionalism, safety and efficiency have made UNEC the trusted partner behind some of the area's most iconic buildings and landmarks.

UNEC HEADQUARTERS · DUBAI
Completed 2021

[MILESTONES]

1976 – 1998

Established UNEC in Sharjah in 1976, followed by Abu Dhabi in 1980 and Dubai in 1982.

Classified as a G+4 General Contractor in the UAE in 1997.

Established SAFE MIX Concrete & Block Factory in 1998.

SAFEMIX

SAFEMIX Ready Concrete and Block Factory is a multi-award winning company, established in 1998 by [UNEC] Chairman Eng. Abdulhalim Muwahid to provide excellence in ready mix concrete solutions to the UAE Market. With over 23 years of experience, knowledge and dedication to the industry, SAFE MIX currently operates 7 branches across the UAE with 15 fully automated batching plants capable of sustainably producing an annual quantity of 2 million cubic meters per year.

To complement our production capacity, SAFE MIX currently operates an impressive fleet of more than 40 mobile pumps, 158 transit mixers and 42 placing booms, in addition to a state- of-the-art block factory with a production of over 1 million blocks per month.

VISIT WEBSITE →

SAFE
TECH

SAFETECH Precast Building Manufacturing LLC is an MIG Holding company and a core pillar of the Group's industrial portfolio, proudly operating the Middle East's largest and most advanced precast concrete facility. Spanning over 2.2 million square feet, the state of the art complex features a 750,000 square foot manufacturing area and an 800,000 square foot storage yard, with an annual production capacity exceeding 700,000 cubic meters.

VISIT WEBSITE →

[AYKA] Facility and Property Management is a dynamic enterprise deeply committed to providing innovative solutions for our esteemed clients. Our comprehensive suite of services spans facility and property management, encompassing both technical (hard and soft) services, as well as security services.

Our aim is to be the leading integrated facilities management service provider in the Middle East, offering one-stop-shop for all comprehensive solutions.
